A Comprehensive Approach to Community Outreach

When Dwight E. Brock established the Community Outreach Office a year ago he outlined two goals for the office. First, increase the public's awareness and understanding of the Clerk's role, programs, services and information resources and secondly, create ways to make it easier for people to do business with the Clerk's Office.

In the first year, a major accomplishment was achieved by redesigning and updating the Clerk's website. The new design is more user friendly and provides easier access to the Clerk's many programs and services. At the bottom of this newsletter you will find 10 icons or "Quick Links" that appear on the CollierClerk.com homepage. The "Quick Links" represent the Clerk's most sought after programs and services.

The Clerk has just launched a Community Partnership initiative with select business, civic and homeowner associations. To learn more about the Clerk's comprehensive approach to community outreach or sign up, **go to CollierClerk.com and click on "Community Partnership".**
