If there is any doubt in your mind concerning these forms, the use of the forms, or your legal rights, it is strongly recommended that the services of an attorney be obtained. If you do not know an attorney you should contact the Lawyer Referral Service (239) 252-8250. If you are financially unable to afford the services of an attorney you should contact the Legal Aid office in your area.

Because of the changing nature of the law, the forms and information about them may become outdated. Regardless of whether you discuss your case with an attorney, you should research original sources of authority (Statutes and Rules of Procedure) to update and insure accuracy of the forms.
