

February 1, 2008

As Clerk of the Circuit Court in Collier County, I am dedicated to increasing the public's awareness and understanding of the Clerk's Office programs, services and information, by implementing ways to make it easier to do business with our offices. With that goal in mind, I've asked our Community Outreach Office to launch a Community Partnership Program with select civic, business and homeowners associations in Collier County.

I invite you and your organization to learn more about the different ways you can stay connected with the Clerk's Office. As you will see from the enclosed list, we offer a variety of information products and services to the public, including a quarterly e-newsletter, a print magazine, e-notices of press releases, a community speaking schedule and more.

We've recently redesigned our website, CollierClerk.com to provide people with direct access to all of the latest Clerk's programs, services and information. Citizens can now pay traffic citations, get passport and marriage license applications, check jury duty assignments, child support payments, and public records online. On our website you'll find a centralized list of forms, fees and contact information which make it easier to find what you need.

Please review the enclosed list information products and services available to you at no cost. I hope you will take advantage of the benefits of the Community Partnership Program by contacting our office to arrange a face to face meeting to learn more of the details of how you and/or your organization can participate.

I encourage you to share this letter and list with others who may be interested in receiving information from the Clerk's Office.

As a next step, I suggest you contact Bob St. Cyr, Director of Community Outreach by telephone (239) 252-6879 or email [Robert.StCyr@collierclerk.com](mailto:Robert.StCyr@collierclerk.com) to arrange a follow-up meeting.

We're here to serve you.

Sincerely,

Dwight E. Brock, Clerk  
Circuit Court of Collier County
