

# Sunshine Week March 14 -20 2010

## What is Sunshine Week?

Sunshine Week is a national initiative to open a dialogue about the importance of open government and freedom of information.

Sunshine Week is about the public's right to know what its government is doing, and why. Sunshine Week seeks to enlighten and empower people to play an active role in their government at all levels, and to give them access to information that makes their lives better and their communities stronger.
