Gain a basic understanding of the requirements and process steps you need to follow when filing a residential tenant eviction case in accordance with the 2007 Florida Statutes, Title VI, F.S. Chapter 83, Part 2.

Learn the most common reasons why landlords evict tenants and about the role of the Clerk's Office in providing assistance to citizens who file a tenant eviction action. Identify additional resources available through the Clerk's website, CollierClerk.com, including legal forms, filing fees and helpful information on landlord-tenant rights.

The seminar will provide opportunities for participants to ask questions or provide case scenarios about tenant - landlord disputes. The Clerk's Office, however, is not able to provide legal advice.
