NEWS RELEASE

Collier County Clerk of Courts is connecting with the community

NAPLES, FL – The Collier County Clerk of the Circuit Court & Comptroller has been actively connecting with members of the community to better inform them of the many services available to them through the Clerk's Office. In an effort to extend information regarding the Clerk's services, Clerk Kinzel wants to provide all community groups the opportunity to learn more about the agency.

The Collier County Clerk of Circuit Court and Comptroller performs nearly 1,200 constitutional and statutory functions or duties, the broadest and most diverse role of any elected public official. The Clerk's responsibilities include being the county's accountant, auditor, keeper of court and public records, and watchdog of public funds.

Clerk Kinzel has often heard from people that they don't know what a clerk of courts or comptroller does in Collier County. They are surprised at the many duties of, and services provided by, the Clerk's Office. In an effort to better inform the community of the services available, the Clerk wants to offer the same opportunity for information to all local organizations, including area civic groups, homeowners associations, and clubs.
